

PROPERTY MANAGEMENT

Over the past 25 years, our homeowners have requested that we provide comprehensive maintenance for their homes after construction. In response, we created RMBB Property Management exclusively for our clients. As your builder, we're uniquely qualified and prepared to maintain your home.

CUSTOM WEEKLY AND BI-MONTHLY HOME CHECK

- ★ We check doors and windows.
- ★ We check temperature controls.
- ★ We check appliances, sinks and toilets.
- ★ We coordinate weekly pool and spa maintenance (chemical balance, filter change, water change).
- ★ We provide weekly landscape maintenance and quarterly preventive tree health.
- ★ We provide hurricane and storm preparation and clean-up.
- ★ We provide pest and termite control.
- ★ We coordinate contracted home repairs.
- ★ We are available to respond to security alarm calls.

PREVENTATIVE MAINTENANCE

- ★ We power-wash all windows and buildings on your property twice a year.
- ★ We service your HVAC system twice a year.
- ★ We inspect operating systems and create a maintenance schedule to ensure preservation and efficiency.

CONCIERGE SERVICES

- ★ We provide pre- and post-departure house cleaning.
- ★ We offer car shuttle service.
- ★ We offer mail and package services, including accepting UPS and FedEx deliveries.
- ★ We offer automobile exercise, and will operate vehicles during home inspections. We use trickle chargers when cars are parked in a garage. We can also maintain your automobile maintenance schedule.
- ★ We coordinate grocery delivery and stocking.
- ★ We coordinate flower arrangements and deliveries.
